TOM MIX IN LATEST THRILLER.

"The Terror" is the title of the latest Tom Mix thriller, which will be shown at the Butler tonight, and will prove one of the most stirring pictures with the rugged west as its background in which Tom Mix has yet appeared. Briefly, the story concerns the efforts of "No Limit" Carson, a United States deputy marshal to run down leakages of gold from the Sonora Gold and Copper Mining company. Following an investigation Carson suspects Sheriff Fay La Cross, a dance hall girl, and Canby and Con Norton, owner of the Odeon dance hall, who are using Phil Harland, her lover, who is confidential secretary to the president of the mining company. It is only after a series of thrilling escapades that Carson brings the culprits to justice and wins the love of the sister of Harland, one of the suspects, who is found to be innocent. There are three of the greatest death-defying stunts that Mix has ever attempted, shown in this picture, and one little miscalculation in any of the three would mean instant death.

Added to the program, a Ford Educational Weekly and a Mutt and Jeff comedy. Tomorrow, Shirley Mason, the sweetest girl on the screen, in one of the sweetest stories, "Mollie and I."

Coming Douglas Fairbanks. Watch for announcement.

Presentation of Diplomas T. J. Lynch, President of the Board
Benediction Rev. McGowan

CLUB OFFICERS ARE ELECTED

At a meeting held Monday evening in the K. of C. hall, the Business and Professional Woman's Club of Tonopah was inaugurated and the following officers elected: President, Mrs. J. Curleux; Vice president, Mrs. C. A. Liddell; Treasurer, Miss C. Rockstead; Secretary, Miss L. Haferton.

The object of the club, apart from its social aspect, is to study conditions as they actually exist in other countries today along the lines suggested by Burton Holmes, the world's greatest traveler and lecturer on travel.

World conditions today have created the necessity for a thorough and intimate knowledge of foreign countries. International politics and business' relationships demand it, and in forming an acquaintance with the world beyond her doors, the business woman is admirably equipping herself for leadership.

Location books are now for sale at The Bonanza office.
